# Merită să fii flexibil. BMW Financial Services.

## **BMW Financial Services este creată să vă ofere finanțare flexibilă și avantajoasă.**

Alegerea unei mașini noi este un proces absolut personal – atunci de ce ar fi diferită finanțarea? A deveni proprietarul unui nou automobil BMW este mai mult decât o simplă tranzacție financiară. Este începutul unei relații solide, de durată. De aceea, noi am creat produse de leasing personalizate.

BMW Financial Services oferă produse de leasing capabile să asigure costuri reduse, în paralel cu o flexibilitate excepțională, astfel decizia asupra nivelului ratelor lunare, asupra duratei contractului de leasing și a avansului vă aparține în întregime.

Cu BMW Select, puteți chiar decide – la finele perioadei de leasing – dacă păstrați autoturismul dumneavoastră BMW achiziționat sau îl predați în schimbul achiziției unui autoturism nou.

Produsul de Leasing Operațional este o formă particulară de finanțare ce este similară cu închirierea. Dumneavoastră plățiți numai utilizarea autoturismului, fără a-l achiziționa, lăsând riscul de depreciere în grija BMW Financial Services.
